County Clerk

April 21, 2020

Dear Supervisor Cosmo Giunta,

I want to thank you, for your partnership and leadership during these unprecedented times. Throughout this crisis the Monroe County Clerk's Office has been committed to providing our residents access to the vital services we offer utilizing best physical distancing practices at all of our offices.

As you are aware, on March 13th the Monroe County Clerk's Office suspended our Mobile DMV Units that would travel to sites across the County to operate, including Gates Town Hall. As we all begin to consider what "re-opening" our facilities look like, **I am writing to inform you that we are suspending our Mobile DMV Units for the remainder of 2020.**

I want to thank you again for your partnership over the years to help expand access to State DMV services in your community. Our office will be taking this opportunity to review our Mobile Units operation in order to consider how it can be adapted to include physical distancing practices and other potential changes. Please feel free to send along any comments or suggestions from your past experience to me directly at jamieromeo@monroecounty.gov or 585-831-2373.

As we all continue to manage this *new normal*, if there are ways that I or the County Clerk's Office can help you or your constituents, please contact us. Thank you and stay safe.

Sincerely,

Jamie Romeo
Monroe County Clerk
